Offer description:

TERRACED HOUSE - MIDDLE SEGMENT | NICE GARDEN | QUIET NEIGHBORHOOD | SQUARE VIEW | ALL INSTALLATIONS AFTER RENOVATION
Sadyba, Nałęczowska Street - with a view of the square

For sale: a charming and stylish house in Sadyba, with a small garden, in very good condition.
Located on the second carriageway of Nałęczowska Street, on a quiet, peaceful street - overlooking a beautifully landscaped square.
Quiet neighborhood.

ABOUT THE BUILDING: This traditional brick terraced house, built in the early 1960s, is situated in a quiet, peaceful area. The windows overlook greenery (a garden and a square).
In recent years, the building has undergone renovation and modernization: central heating, water and sewage installation, electrical installation (partially modernized), changed roof covering, replaced window joinery with PVC windows, insulated roof and modernization of the 2nd floor.
Total area of the house: 160 m² / on 4 floors.
Cardinal directions: southwest/northwest
All city utilities: electricity, water, sewer, and gas. Heating and hot water are gas.
The house is in very good technical condition, free from moisture, with great design potential - the room layout can be changed.
Beautiful, high-quality wooden floors, stairs, doors, and door frames. The second floor is also finished in wood.
Beautiful wrought iron balustrades on the terrace facing the garden.

PLOT: Plot of 190 m², fenced, fully developed, fully owned with access to an asphalt road, with its own entrance gate.
At the back of the house is a lovely garden with access from a large terrace, adjacent to other gardens. In front of the house is a small front garden with a parking space behind a gate. Tall trees line the street.

LOCATION: The neighborhood is a beautiful, stylish residential area of Stara Sadyba, a short distance from the historic fort, Armenian Square, and Czerniakowskie Lake. Surrounded by low-rise single-family homes, the development is within walking distance of bus stops (including the Sadyba terminus) and a new tram line connecting Sadyba with the metro and other districts. Numerous shops, schools, an indoor swimming pool, a gym, and other services are also nearby.
House available immediately.

The plot and the house are fully owned with a land and mortgage register, without any encumbrances.
